HIGH PERFORMANCE INDUSTRIAL RESIN FLOORING SOLUTIONS

Flowcrete Australia offers a wide-range of industrial flooring solutions to suit the huge variety of service conditions required by the demanding industrial sector. Our resin flooring solutions are designed to provide:

Excellent resistance against chemicals, oils and acids

Light reflectant appearance to improve aesthetics

Hard wearing and durable platform underfoot

Positively textured profiles to minimise slip hazards

Seamless, hygienic and easy to clean finish

Solvent free and low odour solution

Flowcrete Australia's Industrial Flooring range has been developed to deliver the ultimate in durability and resistance.

Reliable formulations stand up to heavy forklift, pallet truck and pedestrian traffic, whilst boasting impressive resistance levels against aggressive chemicals, cleaning agents and spillages across a number of production areas, including those subject to extreme temperature change.

What's more, Flowcrete's Industrial Flooring range offers everything from textured finishes for slip resistance to UV stability to maintain colour

INDUSTRIAL RESIN FLOORING SOLUTIONS

vibrancy. Some ranges are even available in an anti-static grade for the protection of sensitive electronic equipment, resulting in a range of flooring solutions perfect for a variety of heavy duty industrial environments.

DESIGNATED AREA	PRODUCT	Flowcoat OP (0.4-1mm)	Flowcoat OP-T (4-6mm)	Flowcoat CR (0.4-1mm)	Flowcoat UV (0.4-1mm)	Flowcoat SK (0.4-1mm)	Flowshield SL (2-4mm)
